\$100,000 Loan from A.M.P.

A cheque for \$100,000 was recently handed over to the Mayor of Altona, Cr. P. Burns, by A.M.P. Society's Regional Manager at Footscray, Mr. W. J. Dodds. The loan will be used by the Council for various local land purchases, the main ones being:

- Purchase of a tip and access roading in Blackshaws Road.
- Purchase of the 400-acre Truganina Explosives Reserve.
- Part payment of the Altona North Recreation Reserve.
- Purchase of a block of land on the Esplanade between Pier and Bent Streets for lawned and parking area.

The Mayor of Altona is pictured receiving the cheque from A.M.P.'s Footscray Regional Manager (centre-left), Mr. W. J. Dodds. The Assistant Town Clerk of Altona, Mr. Trueman, is pictured left and A.M.P. representative, Mr. A. Cox, is pictured right.

AMBULANCE DEPOT IN 5-YEAR PROGRAMME

An ambulance depot for Altona has been included in the five year building programme of the Victorian Civil Ambulance Service, subject to land and finance being available.

A letter was received from the Ambulance Service by Altona Council on Monday, asking the Council to consider allocating sufficient land for the depot.

In previous correspondence with the Service, the Council offered land at the corner of Linnet and Rankin Streets. The Service now says that after studying the ambulance call pattern from Altona, the development of the area and the pending completion of the Lower Yarra Crossing, a depot at the intersection of Millers and Blackshaws Roads would be more strategically sited.

From this position, says the Ambulance Service, ambulances would be more readily available to all parts of the area, would have quick access to the Freeway and Geelong Road and, when required, be able to give support to surrounding areas.

The Building and Sites sub-committee of the Service points out that once land is obtained it will be possible to approach the next step of financing with confidence. Land and building is subsidised \$2 for \$1 by the Hospital and Charities Commission, therefore about \$20,000 will have to be found.

MAYORAL BALL

The Mayoral Ball is to be held this year on June 26 and the Mayor would like to hear from any young girls who would like to make their debut at the Ball. They should either contact him, his wife at 398-1170, or the Civic Offices.

At the Council meeting, Cr. C. W. Carlsson said the Town Clerk should contact the President of the Ambulance Service to arrange a meeting with the Council to discuss details of the establishment of an ambulance depot in Altona.

Cr. Les Crofts added that the Town Clerk should also report to the Council on any appropriate sites. "We have

one site set aside but others are mentioned here," he said.

Concern About Pollution

Pollution in Altona, of both air and water, is still causing a good deal of concern to local councillors.

The Chief Health Inspector reported to the Council on Monday that during the last two weeks his office had received 11 complaints.

Two of these were about offensive odours coming from industry in the complex, three were about a discharge of black smoke from a major industry in Altona North, three about black deposits on houses in Altona North and two about briquette dust.

The Council was also informed that Mr. W. L. Floyd, MP, had asked a question in The Assembly inquiring if the Melbourne and Metropolitan Board of Works takes regular counts of trade waste being disposed of in the metropolitan creeks.

If this is done, he asked what are the count analysis of the trade wastes being disposed into the Stony Creek at Spotswood and the Kororoit Creek at Altona.

He was informed that the Board takes samples for analysis from the metropolitan rivers and major creeks. Discharge of trade waste into streams is only permitted with the approval of the Department of Health, and where approval is given, such wastes are regularly checked against the conditions of approval given by the Department.

Cr. D. K. Grant said that in view of the degree of interest taken in pollution, he felt that the Council should suggest to the Western Suburbs Municipal Association that they should assess and discuss the need to appoint their own technical officer to report to all councils on aspects of pollution within each municipality.

Waiting Lists At Kinders

Because of waiting lists at kindergartens in Altona, it may be necessary for the Council to hire some church halls to enable children who have missed out on kinder work to have some form of pre-school training before they go to school next year.

It was reported at the Council meeting on Monday that the number of children on the waiting lists for places at kindergartens at present stands at 87. However some of the names on the various lists may overlap so the number might not be quite as high as would first appear. It was noted however that for the first time in years there is a waiting list at Parkside Avenue, Seaholme.

Cr. P. J. Lynch said it was

Plaques For Schools

Altona Council is considering presenting a small plaque to each school in the City to commemorate the bi-centenary of Captain Cook's discovery of Australia.

The suggestion was made at the Council meeting on Monday by Cr. P. J. Lynch, who said he thought this could be done as the Council had decided against the purchasing of special bi-centenary medals for all school children.

He thought the presentation of the plaques would amplify the Council's interest in education and youth in general. He moved that the matter be referred to the Finance Committee for consideration and in the meantime asked the Town Clerk to arrange for a drawing of a suitable plaque to be made for councillors to inspect.

The Mayor, Cr. P. A. Burns, commended Cr. Lynch on the suggestion. "I do not think it would cost too much and it will show some recognition to the children. As far as I am concerned I am right behind you on this," he said.

Unfortunately that the kindergartens were not adequate to take the children of Altona. "I would like to see every parent who wants his child to go to kinder to be able to find a place," he said.

Determination Wins

With the style of one of Australia's ex-Olympian runners — mouth wide open — John Clark races away to win the Altona Working Men's Club gift at the annual picnic last Sunday at Little River. And it was nearly a family monopoly for the first two places. Chasing John is his father Bill Clark (partly hidden). Finishing strongly is Alan Short (striped shirt).

Geoff Salter Wins Track Championship

Last week-end at the Loft Reserve track the Williamstown Cycling Club conducted their track championships, and considering the excellent fields Saturday racing has attracted this season the turn-up for the championships was a disgrace.

Although a few of those absent could possibly offer a reasonable excuse, most just didn't like their chances of success, and displaying a distinct lack of club spirit, declined to compete.

Only three riders, namely Geoff Salter, Tom Reynolds and Bill Groome, Jr., rode on Saturday whilst Geoff and Tom were two out on Sunday. Considering the lack of competitors Tom and Geoff maintained an extremely high standard during their two-day war. The championship was decided on the points system over five events.

They were a half-mile time trial, a half-mile sprint, a one mile scratch, a five mile scratch and a 4,000 metres pursuit.

Geoff won all five events but had to fight hard in each as Tom proved a worthy opponent.

Bill Groome, Jr., was a game trier and is sure to give the championship a shake in the future.

In the time trial Geoff rode the distance in 1 min., 04.3 secs., defeated Tom by 0.85 of a second.

The sprint was run as the best of three heats and saw Tom leading Geoff out to narrowly win the first. Geoff, however, had too much experience and out-generated Tom to take out the remaining two heats. Geoff also carried off the five mile title from Tom with Bill Groome, Jr., third.

A slight delay on Sunday morning, while the "bronze brigade" went to work didn't unduly upset the program.

Reason for the brooms was that some person or persons obviously lacking in intelligence had broken a number of beer bottles on the track. Geoff defeated Tom in the one mile then broke the club record by 2.5 seconds in registering 5 mins., 38 secs. for the 4,000 metres (2½ miles) pursuit.

RESULTS

All Round Track Championship. — 1st, G. Salter, 75 points; 2nd, T. Reynolds, 35 points; 3rd, W. Groome, Jr., 19 points.

At Bendigo on Labor Day Geoff Salter qualified for both the half-mile and one mile wheelchair finals.

He sprinted from a long way back to pick up fourth placing in the wheelchair, Geoff was lying in third position at the turn into the straight in the Aces Five Mile Scratch Race and looked set for a place when he had the misfortune to fall.

He escaped with minor abrasions.

There will be no club racing this coming Saturday as most of the boys will be competing at the Yarrowonga Sports Carnival.

GIRL GUIDES

Memories of happy days in Guiding were recalled when many old friends met at the 'Old Guides Re-union' held at Guide Headquarters in Russell Street, Melbourne on Sunday, March 1.

Footsroy Trefoil Guild was represented and Mrs. Ebeling, a well known figure to the Guiding folk in the West Metropolitan Region, met many old friends.

Mrs. Price, Commissioner for the whole of Australia, and Miss Shaw, Assistant State Commissioner, mingled with the guests.

Ann Lloyd, a young Hampton Ranger spoke on the eight point plan showing that the 'New Look' in Guiding differed very little to the Guiding experienced by those present.

Donations towards the 'Chaler' to be built at Britannia Park reached the total of \$412 bringing the total now collected to over \$3,000.

Afternoon tea brought the close to a very pleasant afternoon of 'do you remember'?

W'town Little Athletics

Next Saturday (March 14) and the following Saturday (March 21) the Centre Championships will be held at the Newport Oval at 9 a.m.

All clubs are expected to help prepare the grounds for a 9 a.m. start so no events need to be cancelled through lack of time.

The Williamstown Little Athletics will hold their presentation night at the Williamstown Town Hall on Friday night, April 10, at 7.30 p.m.

GAMING AND DRINKING AT CAFE

Mrs. Mary Katsimalis, of Melbourne Road, Newport, was fined \$30 at Williamstown Court on Friday for having liquor in a cafe outside permitted hours. Her husband, Chris Katsimalis was fined \$25 for permitting gaming to take place in the cafe.

Senior Constable O'Keefe said at 10.45 p.m. on January 17 he went to the cafe in Melbourne Road, Newport, which is occupied by Mr. and Mrs. Katsimalis and where meals and other refreshments are served to the public.

One person in the cafe was drinking a can of beer and inside the refrigerator he found six bottles of beer and four cans. Mrs. Katsimalis said the customers liked to have a drink with their meals.

A few days later he returned to the cafe and found eight men, including Mr. Katsimalis, seated at a table playing cards. Various amounts of money were in front of each man.

Threw Newspaper On Road

John Cooper, of Davies Street, Altona, was fined \$25 at Williamstown Court on Friday for depositing litter in Kororoit Creek Road.

Const. Kirby said he was following the car when several sheets of newspaper were thrown out of the window.

When asked why he had thrown the paper on the road, Cooper said he had not been thinking. The Constable said all the people in the car were eating fish and chips.

DARBY AND JOAN AND LONE PERSON UNITS

The question in the Legislative Assembly of Mr. Larry Floyd on land for Elderly Citizens' housing units and the answer by the Minister of Housing, has particular significance for Williamstown and to some extent Altona.

MR. FLOYD:

1. Whether, because of the difficulty of built-up municipalities in providing the Housing Commission with free land for lone-person and "Darby and Joan" units, he will undertake to — (a) seek leasehold land from other Government Departments with unusable surplus land; to build the above units; or (b) give consideration to providing in those municipalities handicapped by a surfeit of Government instrumentalities within their boundaries, a fair share of lone-person and "Darby and Joan" units without a donation of land.

2. If neither alternative is acceptable, how he intends to help lone-persons in the built-up areas.

ANSWER:

1. (a) The Commission is only empowered to build on land vested in it. This would preclude building on land held under lease.

"Mr. Floyd comments" had endeavoured to amend the Act to permit building on leasehold land by means of a clause in the Housing (Urban Renewal) Bill but, of course, this Bill did not receive the support I had anticipated from the Opposition Parties in this Parliament."

(b) The provision of accommodation for persons of all means involves a burden to the Commission of heavy rental subsidies. To achieve rentals appropriate to these tenants it becomes necessary therefore to ensure that all costs associated with a particular project are reduced to an absolute minimum. In obtaining land at no cost to it, the Commission is able at the outset to avoid meeting one of the principle cost components involved.

If the Commission itself was to purchase land for this purpose it would be unfair to those municipalities which had at considerable sacrifice purchased land and donated it to the Commission.

I would suggest that the Honorable Member make representation to the Federal Member for the area in an endeavour to secure the release of Commonwealth land.

2. I would be prepared to co-operate with the Honorable Member in any representation as mentioned above.

KOROROIT CREEK

A menacing problem exists in the pollution of Kororoit Creek and other district streams.

Answers given to questions by all our Parliamentary representatives may lead to the impression that all is well.

Control of pollution of these particular waters is in the hands of the M.M.B.W. New industries must satisfy anti-pollution regulations, and local councils have power under the Health Act to deal with any nuisance caused.

However, it is quite apparent that pollution does continue in Kororoit Creek.

Apparently the Board of Works is content to keep endorsed in Parliament by the Minister of Local Government, Mr. M. V. Porter.

The Board of Works may rely on its technical advice that the pollution of this stream is within acceptable limits.

The Altona Council must be concerned as to the direct and indirect health menace in these waters.

Their power to take action against any menace is limited by their inability to obtain necessary data from the Board of Works.

Extension Of Railway Beyond Altona

In accordance with the policy of keeping the matter alive, Mr. Larry Floyd persisted in asking another question in the Legislative Assembly on the Altona rail extension.

The question and answer were as follows:

Mr. Floyd (Williamstown) — I direct a question to the Minister of Transport. When he was considering the Metropolitan Transportation Study report, did the honorable gentleman give consideration to extending the Altona line, not only to the projected station at Westona, but farther on to link with the Geelong line, so that there could be a loop line from Melbourne through Altona to Geelong.

or to Point Cook? If not, has the Minister any view on the matter?

Mr. Wilcox (Minister of Transport) — In the plan produced by the Metropolitan Transportation Committee, there is provision for extension of the rail line from Altona to what is called Westona. I welcome that. I know that the honorable member for Williamstown has, over the years, been a staunch advocate of this extension, and I agree with him. When the extension will be built will depend on the priorities given to various works.

I am not aware of any suggestion that the Altona line should be extended to link with the Geelong line ever. I am quite sure that the study group, which did a tremendous amount of work in examining various alternatives before the plan was drawn up, would have considered whether that was worth while. The study group made no such suggestion, and so the Committee has not agreed to it.

Do you know these herbs — eleven of them. Nettle, Arnica and Cinchona, these stimulate, strengthen and tone the scalp to make hair look vitally young and alive.

Birch, Speedwell, Mare's Tail, Yarrow and Coldfoot. These five feed and nourish.

Condition. Leave your hair soft and manageable. Camomile - we know this brightens the hair.

Rosemary Clover - sweet smelling herbs to leave your hair fragrantly beautiful.

Don't you feel your hair is worth having a change in pampering. It's worth the extra thought. Bring out the lights, fresh smelling hair so lively.

How do you apply a skin tonic? A toner. Wet a small pad of cotton wool with the liquid. Starting at the throat, gently wipe and pat the neck and face, paying attention to grease collecting crevices on nose and chin.

Letter To The Editor

SIR, — The decision of the Altona Council to uphold its agreement with the Board of Works not to give permission for Cherry Lake to be used for swimming, boating and yachting was pleasing for an important reason not mentioned by Councillors in last week's Altona Star report of last week.

Since Cherry Lake was re-filled following the drought of two summers ago, it has attracted great numbers of wild birds. The birds are present in a wide variety of species and a quiet walk around the lake now affords much pleasure.

Eventually the area surrounding the Lake should be cleaned up and developed with further tree planting and provision made for family picnics. In the meantime it is important that the Council preserve Cherry Lake as a bird sanctuary because here in Altona is a wildlife attraction that is unique so close to a city.

For this reason it is vital that Cherry Lake remains undisturbed and unpolluted. Yours etc.

MAUREEN BACON,
Hon. Secretary,
Altona Branch D.L.P.

CUP SHOCKS

Western Suburbs provided the shock result in the Nordeenne Cup semi-finals when they easily defeated Sunshine City, 3-1.

Western Suburbs, who were promoted from Division 4 last season, are now favorites to win the cup. They are a good young side, full of running, and on this display will most certainly be in for promotion next season again.

Altona City and Green Gully Ajax drew 0-0 with extra time played, but still neither side could score. The trouble with Altona was the forward line which was very unimaginative. The wingers in particular never posed any threat to Ajax.

Altona had most of the mid-field play and yet not one shot for goals. Jim Ackers and Ian Hines played well and Billy Savage ploughed a lone furrow up the middle. Ian Roberts was back to top form in goals for the "Maroons".

Altona's coach, Harry Sutherland, was a very disappointed man. The good show put up the week before against Moreland gave him high hopes of winning the Cup, but a showing like this is hard to understand.

ALTONA WIN REPLAY
Once again Altona City Soccer team made hard work of defeating Green Gully Ajax by 1 goal to nil. Scorer was Jimmy Ackers, 10 minutes from time.

Altona now play Western Suburbs in the final on Sunday at 3 p.m. on Kim Reserve, Altona.

Monday's game was a repetition of Saturday's game. The "Maroons" had most of the play yet were unable to penetrate a solid Ajax defence, so either Altona are not as good as they should be or else Green Gully Ajax are a good, hard fighting side.

Craig Copley and Billy Ormerod were the pick of the Altona side.

New Kinder Ready Soon

It is expected that within the next few days the Board of Works will give the "all clear" for Altona Council's contractors to do the sewerage work at the kindergarten at 14 Lindwood Avenue.

This should be the final work required from the contractors and the Engineer's Department will then be able to erect the fencing, install the playground equipment and lay lawns, so that the children who are attending the Presbyterian Church hall can be transferred to the new kinder.

THE CURTAIN RISES

Williamstown Little Theatre entered the Moomba Phillip Morris Drama Festival for the first time and took off three out of five prizes.

The Festival which was held at the Northlands Centre, had as its major prize the Moomba Cup which was won for "The Rattle of a Simple Man."

Les Terrill was named best actor for his part as Percy Wintham in the same play. Loris Blake was best producer. Lorraine West was named as one of the best actresses.

Adjudication was by Miss Joan Morris.

The adjudicator remarked that the production showed great attention to detail. She credited this to the producer but of course credit is due to a large number of people whose names do not appear in the credits.

There was Annette Silk, Neil Colville, and Leslie Baird set dressing and sewing right up until the rise of curtain.

Then Wal Philpott, Alec Colville, the boys from the Night Opera Co., under the stage manager Rod Silk, all worked very hard after a series of long days and hard nights.

Not to be forgotten was the wonderful cast whose performance was so fresh and exciting after such a long and tiring day.

The front of house had its problems. The porters arrived like a tinkers' caravan with tea and coffee pots, cups, soft drinks, sweets and icecream and soon set up shop.

June Towns, Bernadette Towney and Denise Kearney saw the audience to their seats and ably manned the refreshment bar earning a nice profit for the Theatre Building Fund.

The general efficiency of the theatre management drew a great deal of comment from Moomba officials present, as lack of organisation seems prevalent among younger groups.

We worked very hard and have been rewarded for our efforts.

The Moomba trophy will be on display in the foyer for a long time so you will have your chance to see it.

Sunday, March 8 saw the High School Benefit Night which closed a very successful season of "Black Comedy" and "The White Liars."

Sixty people attended, enjoying an excellent performance and a delightful champagne and chicken supper in The Loft at the conclusion of the play.

Mr. L. A. Parker, President of the Advisory Council, thanked the Little Theatre for their efforts and Mr. D. J. Nilson thanked the theatre on behalf of the staff.

This very friendly evening closed a very busy period for the theatre and we are all hoping that we can settle down to some of the social functions we have planned for ourselves.

We are always looking for new members so make the effort and write to Box 35, P.O. Williamstown, and we will be happy to send you any information you need.

LETTER TO EDITOR

"DO IT YOURSELF VOLUNTARY WORK FORCE"

Dear Sir — It was reported recently that a "Do It Yourself Work Force" was organised at Mordialloc to clean up the foreshore and thus make the beach safe for members.

Nine tons of rubbish were collected around the beaches in the vicinity of Mordialloc and amongst a great variety of refuse much broken glass was retrieved — the greatest menace to bathers.

This is a most commendable innovation of voluntary activity with Scouts, Guides, Jaycees and many civic-minded enthusiasts, even passers by participating. To give the movement some form of authority a Council Officer was acting in a liaison capacity.

It is an excellent opportunity for the younger members of the community, in particular, to expend their energies in such a beneficial manner and such commendable activity should be encouraged by the local authorities. The results achieved and the financial saving to the Council constitute a very desirable civic activity.

There is much scope in the Altona-Williamstown areas for such beneficial enthusiasm which would embrace the very worthy appeal from city authorities to develop "Litter Clean Cities," with emphasis perhaps on beaches and parks.

Possibly the essential mechanical facilities could be made available from Council equipment and local contractors to undertake some of the work involved, thus making beaches available to residents and others free of obvious refuse and dangerous glass deposits. Many serious accidents occur during the bathing season from the avoidable menace.

At Altona, stones and seaweed littering the foreshore at entrance points to swimming locations, particularly at the Seaholme area, could be effectively eliminated by this voluntary work force, thus adding additional swimming space to, at times, over-crowded bathing conditions. The Shelly Beach at Williamstown and its surrounds are other sections of the natural attractive foreshore where a clean-up would enhance the locality and provide a most desirable rendezvous for picnic and bathing activities. At present it is an eyesore and should not be allowed to exist because, amongst other things, the limited beach areas available in Williamstown to indulge in swimming and relaxation.

An appeal was made through the Advertiser some short time ago, mainly to the demonstrators, who were instrumental in declaring the Harbour Trust Oil Berths, at this location, black, to justify their opposition by cleaning up the locality, but the appeal fell on barren ground.

The Strand at Williamstown which, of course, comes under Harbour Trust jurisdiction, provides scope for some cleaning up activities as there are two rather offensive and neglected drains at the Newport end which could do with some attention. There is also a neglected swimming pool on The Strand, with stones available on the spot, which could be reformed by voluntary labor and utilised to the advantage of residents and others at this section of the foreshore. Perhaps the Lions, Jaycees or Apex Clubs could introduce into their constitution provision for the creation of Progress or Vigilant Sub-Committees to prosecute such desirable activities, which could add further interest and enthusiasm to their already useful objectives.

"COMMENTATOR". EDITOR'S NOTE: A strong and effective voluntary beach cleaning service does exist in Altona. Various local groups have beach sections allocated to which they devote much time.

Snooker Competition

The Western Suburbs Elderly Citizens' Billiards and Snooker Association held the final of snooker competition in the House of Friendship Clubrooms on Friday, February 27 between Yarraville and Williamstown Clubs.

It resulted in a win to Yarraville club by 20 points, 298 to 278.

Yarraville club has now won the shield for the second year in succession. The shield which was donated by Mr. Merry, past president of the House of Friendship, and is known as the Jack Watton Shield.

It was a good game between players 60 years and over, all being members of the Elderly Citizens' Clubs.

Mr. Kerry presented the shield to the winners and congratulated both teams on their fine sportsmanship.

Mr. and Mrs. Kerry also supplied the afternoon tea which was enjoyed by all present. Ladies of the House of Friendship served the afternoon tea. Thanks ladies.

Trophies were donated by Mr. Fox, secretary, and members of the Yarraville St. Stephen's and presented by Mr. Heard.

The President presented trophies to the following:

GUINEA PIG RACE

News of the Footscray and District Hospital Staff's Guinea Pig Race had spread to the four corners of Victoria.

The Mildura Mardi Gras which is sponsored by the Mildura Base Hospital Men's Auxiliary is to be held on Saturday, March 7. Secretary of the Auxiliary, Alan Womersley, has arranged to have the "race" transported to Mildura this week, and knowing the sporting element of Mildura the hospital can look forward to a good return.

The Guinea Pig race made its first appearance at the Footscray and District Hospital Annual Fete last year.

The race consists of 20 numbered pigeon stalls in a circle of about 7 feet. Patrons are invited to nominate which stall the guinea pig will go into when he is released from a box in the centre of the circle. This is continued with frequent changes of guinea pigs.

One of the hospital carpenters, Mr. Len Steel, built it for the hospital in his spare time. Last year it yielded a profit of about \$60.

This year the Annual Fete on March 14 will again feature the Guinea Pig race.

BEACH PROBLEMS

The Board of Works and the Ports and Harbors Trust are to be asked to assist Altona Council in preventing the loss of sand from the beach and to help in sand build-up along the foreshore.

The beach cleaning machine demonstrated in Sydney is not considered suitable for Altona conditions.

At a recent meeting of the General Purposes Committee several points on how to improve the beach at Altona were discussed.

These included the possibility of the construction of groyne, the pumping of sand from the end of the pier back onto the beach, and the dilution of drains which discharge onto the beach.

In addition to asking for help with the loss of sand, the Council also recommended that the Board and Harbour Trust be asked for their comments on the possibility and advisability of making a temporary groyne along the pier. The Council also agreed immediately to the regular dilution of the two main drains.

After flying one of Altona's engineers to Sydney for a demonstration of a new beach cleaning machine, the Council has decided not to purchase the machine because it would not be suitable for Altona.

Mr. R. C. Simmons reported to the Council meeting last Monday that the demonstration on Bondi beach was the only one in Australia and consequently the Finance Committee had thought it would be worthwhile to send a representative.

Mr. D. Rees, the engineer who attended the demonstration, had reported that the machine was in fact a piece of equipment, towed behind a tractor. It scooped up sand to a depth of four inches and although it satisfactorily removed small articles such as bottle tops and cigarette packets, it was not effective in picking up seaweed, nor did the machine work well in wet sand.

He reported that the machine would not be as economical for the Council as the one they have at the present time.

STAFF TRAINING COURSE FOR ALTONA BANKER

An Altona banker has been selected to attend a special staff training course in Melbourne. He is Mr. A. R. Skelley, who has been on the staff of the Commonwealth Bank in Altona for the last two years.

Mr. Skelley is well known for his interest in the local football club where he is both a player and committee members. His versatility at sport is evident as over the last six years he has represented the Footscray district as a player in their cricket team.

Manager of the Commonwealth Bank, Mr. L. T. Bryant said that the training course would commence on March 16, 1970, and would be attended by 12 officers from country and metropolitan branches and also from branches in Tasmania.

Mr. Bryant said that banks today offered a wide variety of services which called for a high degree of skill on the part of bank officers.

To cope with the growing volume of work, office systems were being increasingly mechanised and streamlined, and this also required considerable knowledge on the part of the staff.

In addition, it was necessary to keep in touch with outside economic influences and to understand their effect on the banking system.

The Staff Training Course in Melbourne was designed to provide in "packaged" form a review of the whole field of banking, and also to cover specific aspects of branch work relating to efficiency and the provision of friendly service.

Mr. Bryant said that the Commonwealth Bank had

been the first bank in Australia to introduce this type of staff training, and with the experience gained over the years the staff training courses had been proved to be of great value.

In particular, he said, the discussion and exchange of ideas with officers from other parts of the State was very helpful.

FITNESS THE KEY TO SUCCESS FOR HARD-WORKING SEAGULL PLAYERS

Facing First Division V.F.A. Football in 1970, Max Papley and his fellow Seagulls are hard at work building up their stamina to prove their worthiness to be back again in the top division.

For the past three weeks players have been performing over a four mile course three nights a week and last week most had their times for the distance down to 23 to 27 minutes.

Following this endurance test, players have been put through a strenuous series of physical exercises under the close supervision of Norm Alvin.

Last Friday night saw footballs introduced for the first time for kicking and the players' fitness was indicated by the manner in which they handled the ball.

Williamstown should be a worry to any top side if fitness is a yardstick.

Supporters will be pleased to hear that the club has been able to obtain the services of Alan Byers who has played over 70 games with North Adelaide. Alan is a strongly built fellow and should prove a valuable asset.

Other recruits are showing good form and by the time the season is underway the Seagulls will have a formidable line-up to test their opposition.

"Jocka" Mellis has been re-appointed Assistant Coach and Harry Dern, former Spotswood and Carlton Star, has been appointed coach of the Third Sixteen.

Harry's wealth of knowledge should ensure that the young talent in the club will receive the right tuition to benefit the club in the future.

On March 21 and 28, practice games have been arranged against V.F.L. club Essendon and negotiations are in hand in an endeavour to arrange a game against another top V.F.L. club.

Negotiations to play country clubs Moe and Maffra have lapsed but the coach still proposes to have at least four to five practice matches within the club before the real thing gets underway.

Last season Williamstown had the distinction of premiership honors with three teams.

The Firsts, Seconds and Thirds will have their penants unfurled to the public the day the Firsts play their first home game on Sunday, April 26, against old rivals Geelong West.

The Fourths, beaten in the preliminary final last year, require a coach. The competition is played on a Saturday morning and any person with the necessary qualifications should get in touch with the Secretary Rex Swann at the ground on Friday, March 13.

It is evidence from watching the boys at training that all are keen to maintain the Seagulls' climb up the ladder and I'm sure that the present team will soon have Williamstown among the contenders for top V.F.A. honors.

New Bandmaster Appointed

Mr. E. J. Hellier of the Strand, Newport, has been appointed the bandmaster of Williamstown City Band. He was chosen from five applicants who were interviewed by members of Williamstown's Staff and Library Committee.

Altona Methodists

A committee meeting will be held in the Church Hall on Tuesday, March 17, at 7.30 p.m. by the Altona Methodists Football Club.

More Under 15 boys are invited to join. Any parents interested in the sporting activities of their sons are invited to take an active part in the affairs of the club.

PETTY FACTIONS DO NOT HELP JUNIOR FOOTBALL

Recently, a great deal of publicity has been given to what was indicated to be an "unconstitutional" Annual Meeting of the Western Suburban Football League.

Accusations have been made that the Chairman, when conducting an election of office-bearers of the League, was out of order by not having the election of President made by secret ballot.

Although this practice may prevail in most organisations, the Chairman at this meeting, according to constitution, was not obliged to have a secret ballot conducted unless requests to do so were made by delegates of at least three clubs.

Those who are dissenting to what happened surely had the matter in their own hands. There seems to be more to this unfortunate affair than what meets the eye.

Delegates attending meetings of organisations such as Leagues of this nature surely should put the sport before petty factions.

Publicity derived from the Annual Meeting must have certainly raised doubts in the minds of followers of clubs in the League and also must have dampened the enthusiasm of some of the young players involved.

Is that good for junior football?

New Course At Altona Tech. School

In 1970 a General Studies course was introduced at Altona North Technical School. In the past, English, Social Studies and Art have been treated as separate subjects. However, educationalists have realised that this division places unnecessary and artificial restrictions on a child's opportunities for full educational development.

Realising that the main aim must be to allow each boy to develop his own capacity as an effective human being who will be able to think and communicate in his adult life, it has been decided to introduce a General Studies course to Forms 1, 2 and 3.

In such a course the starting point is to be the boy's own life and interests because learning depends upon the involvement of each student and it will enable the boys to develop at their own rate.

ANNUAL TOURS AT TECH.

A record number of pupils have applied and been accepted to attend the annual tour and camps at Altona North Technical School. Numbers are 72 for the Form 1 camp at Mt. Eliza and 51 for the Form 2 camp at Angelsea.

No restrictions are placed on numbers for the camps but due to a maximum passenger capacity on the aeroplane, the Tasmanian tour for senior pupils has a limit of 38 students and 2 teachers.

Regrettably, many lads could not be accepted for this tour. Priority has been given to Form 5 students. All the trips are of one week duration and take place during the final weeks of Terms 1 and 2. The teacher in charge of organisation is Mr. Wild.

DARTS

The second meeting of the Western Suburbs Darts Association held at Powell Hotel on March 3 was no doubt the stormiest meeting ever held by the association.

There is no doubt that the trouble started amongst the executives who were carried away in the heat of argument.

The President, N. Jessup, was aware that the situation might be explosive. He knew that personalities and bitterness were to be directed against certain individuals and in his attempts to both control the meeting and remain unbiased the situation got worse.

Before the meeting closed four men had handed in their resignations.

The President sincerely believes that in the best interests of the association the whole meeting should be dismissed from the mind and only the valuable lessons learned should remain.

He also feels that the many hours of hard work on behalf of the association will have been wasted should those people who in the heat of the moment resigned should they carry out their threat. The President can be quoted as saying "why let one man ruin your association?"

The third division start their home and home games on March 12 and the first and second divisions on March 19.

All matches are played on Thursday and clubs please note that Cyanamid play their home games at Werribee Bowling Club.

3 p.m.: Burrell-McNish v. Cameron-Leslie, Thomas v. Sneddon.

4.30 p.m.: Campenelli-Liddy v. Walker-Findlay. Court captain J. Darmody.

At a special meeting of the Lawn Tennis Association of Victoria No. 1 Metropolitan Region, which controls tennis in the Western Suburbs and extends to Melton and Werribee, it was decided to take

up an offer of financial assistance from the LTAV and Rothmans' Sports Foundation.

The generous sum of money made available will be used to conduct free clinics for school children at nine centres throughout the area.

Venues have yet to be decided but the clinics will be conducted after school hours between 4.30 and 6.30 p.m.

Two sessions under lights for all age groups will be run and it is hoped to finish the week with a Sports Night at the Sunshine Town Hall with tennis films, lectures and lessons on umpiring.

Tentative plans have fixed the date for April 20 to 24. Dates and court locations will be published later.

Popular No. 1 Region President Mr. George Mann who is also secretary of the Sunshine Tennis Association said last night that the clinics would create a tremendous amount of interest in tennis in the area and would provide clubs with the opportunity of gaining new members.

Central Altona Football Club has commenced training at Langshaw Reserve, Marion Street. Centrals are fielding an open age and an under 18 side this year.

Both the senior coach, Ken Collins, and the Under 18 coach Mick Hatzil are coaching for the first time. Their eagerness and fresh ideas should ensure Centrals of a successful year.

The coaches are pleased with the way training is progressing and both sides should be at a peak of physical fitness for the first match of the season.

The varied training program is appealing to players, especially training nights at Altona beach.

Centrals are anxious to see new players incorporated into the side and extend an invitation for any player to attend trainings — Seniors are to train Tuesdays and Thursdays; Under 18 on Mondays and Wednesdays.

Williamstown Bowling Club

The day's play against the visiting Police Bowling Club on Wednesday resulted in a win for Keith Fleetwood (c.), Arnold Kerss, Norm Eddy and Jack Hay.

The visitors winning team comprised Charles Silcock (c.), Norm Wills, Eric Murray and Harold Riordan. A feature of the club events during the week has been the high standard of the bowling and the closeness of the results.

Keith O'Brien and Arthur McGuigan had a good tussle in the Jim O'Brien Trophy, with Keith taking the honors with one shot up.

By the same margin Stan Weight and Dave Palmer took the semi-final of the Vice-President's Pairs from Des Luckhurst and Kev O'Brien.

The final of the President's Handicap went to Sid Bennett after being closely pressed by Laurie Parker.

The three leading pennant skippers for the season were Sam Parry, 18 games, 96 up; Harvey Anderson, 13 games, 86 up; and Sam Trevillian, 17 games, 56 up.

Harvey has only recently joined us, having transferred from Berhampton B.C. N.Z. Saturday's game gave a win to the rink skippered by Fred Ray, assisted by A. Kerss, Norm Eddy and Hec Hogan.

Jim Skerritt (c.), together with Hugh McLeod, Vic Potter and Geo Radford, were runners-up.

The mixed game on Sunday resulted in wins for teams skippered by Roy Little, 46 up, and Dave Daw. They were assisted by S. McCallum, R. Dundon, A. Cobbin and S. and J. Bengough with Q. Watt, respectively.

Williamstown Ladies

The mixed social game last Wednesday, March 4, resulted in a win for Mrs. A. Halbert's team with M. Richards, Mr. B. Barker, L. Warman.

Runners-up: D. Radford, cpt. with W. Hyde, D. Bock. Saturday's winners were I. Jones cpt., A. Farrant, E. Morrison, T. Jamieson.

Runners-up: B. Easton cpt., A. Price, A. Cobbin, H. Hogan. The trophies were donated by T. Jamieson.

The pairs will be played next Tuesday, March 17.

Altona Ladies

Vera Sevier has won the Ladies Singles Championship of the Altona Bowling Club for the second time.

Last week she defeated Esme Martin 25-15 to win this year's title.

Scores at the sixth end were 5-2; 12th 8-6; 18th, 14-12; 24th, 23-14; final score, 25-15.

Mrs. Sevier previously won the championship in 1962.

This season Altona Ladies played for the first time in the A2 Division and finished on top of their section which entitles them to be upgraded to A1 for next year.

Newport Ladies

The Pennant season has unfortunately come to a close.

B2 had their hopes of a flag dashed to the ground by Yarraville-Seddon ladies, who defeated them by nine shots.

C2 went down, also, but D2 won very well. A fairly successful season. We can always hope for better things next season.

Winners of spoons: Skip. V. Hartnett, O. Tinworth, W. Lowe, L. Duncan.

Wednesday's Social bowls winners: Skip. G. Vickers, N. Hopper, D. Leslie.

Phoebe Kisler is wished the best of luck when she plays off in the champion of champions on Thursday, March 12.

Altona Little Athletics Centre

The next meeting will be held at Altona Primary School, commencing at 8 p.m. Tuesday, March 17th. All committee members and parents are urged to attend, to discuss next season's arrangements. Please make the effort to be there.

Amateur Photographers

Williamstown Camera Club has begun lessons in basic photography which are conducted at the mid-monthly meetings.

The joining fee of 75c is moderate when you find the benefits to be had by belonging to a club.

Part two of the series is on March 19. The lecture "Colour under Dark" at the last meeting will be invaluable when the club tours the city later in the year, to capture the city lights at night.

President, Mr. T. Brereton will gladly answer any enquiries and explain club activities.

Next item on the syllabus will be the visit to S.E.C. Camera Club on March 27. Enter via Douglas Parade gate.

AWMC Indoor Bowls

With the cooler weather arriving, 36 members of the Altona Working Men's Club indoor bowls section attended last Thursday evening.

The winners of the trophy were Jean Turner, Rhonda Cooper and Bob Yates (s). A welcome was extended to Mary and Jack Allison, who were playing their first game with the section.

It was a most enjoyable evening, so if you want to keep fit this winter, why not join in with the indoor bowls section?

Everyone is willing to show newcomers the finer points. Tuesday, March 10, was the start of the club fours competition.

Altona Secretary Bill Walsh and Lorna Walsh, Jim Cox and Ladies Secretary, Queenie Cox were the guests of the above day on behalf of the Altona Club.

Tuesday 17th: Lady President's Day, 1 p.m. Previous day (Monday) all ladies welcome for cleaning duties at clubhouse.

WESTERN SUBURBS TABLE TENNIS

The **Kingsville** team of **Montgomery, Mitchell, Hayes**, were too strong for **Newport** in **Round 14** of the **Western Suburbs A Grade Table Tennis Pennant**.

Newport's only wins were against **Stephen Hayes**, but despite his losses **Kingsville** still won 8-3.

Williamstown (Slattery, Taylor, McQuillan) defeated **Footscray** 6-5, and so displaced **Newport** from second place on the ladder.

Williamstown's **Barry Taylor** was in great form and won his singles rubbers to seal the match for **Williamstown**.

Footscray (B1) led **Mariybrong** 5-love during their match but **Mariybrong** fought back and were not disgraced to lose 7-4. **Wally Rosenweigh's** return to the **Footscray** side has given them more bite, and their pennant hopes have lifted vastly.

B.R.M., in B2, played without a third man and could not cope with the strong **Avondale** team of **Scott, Gribble** and **Brookfield**, and lost 8-3.

Reckitt & Colman (B2) were too consistent for **Altona** and won 6-3. **Ted Powell** was the mainstay for **Reckitt** with three good wins.

B.R.M. (C2) moved to within one game from third place when they defeated **M.P.D.** 7-4. **E. Richardson** was the best player in this match winning three rubbers.

Rheem (C2) continued their winning run of wins by defeating **third-ranked** team **Seaholme**, 7-4.

AGM (C3) won 8-3 from **Williamstown** Youth with **Max Singleton** winning three rubbers for **AGM**, while **Oliver-Davey** retained third place by defeating **Altona** 9-2.

In D3 Grade, **Explosives** defeated **Snappers** 6-5 to take second place in an exciting tussle, while **B.R.M.** trounced

a much weakened **Reckitt & Colman** 10-1.

Bristol Paints, in D3, broke through for one of their infrequent wins to the tune of 6-5 over **Outlaws**.

Seaholme (D5) were too strong overall for **Sunshine** North and with **Marlene Harrison** at her best form they won 8-3.

On Tuesday the match of the night was between the top D4 sides where **Reckitt & Colman** defeated **F.E.W.**, 6-5. **Pat Berry** was in dynamic form with tense wins.

St. Mary's "F" side defeated **Avondale Heights** 10-1 and seem certain to make the finals.

In **El Esso** were fortunate to receive a walkover from **Williamstown** which virtually ensure their place in the final series.

Newport Post Office played their best game so far against **North Footscray** Youth Club when they lost 6-5 and showed they could cause an upset in the finals.

While **Esso** (E2) downed **Sunshine** ladies team 9-2 and could also figure in the finals in this grade.

Holy Trinity Juniors

The seventh Annual Meeting of the **Holy Trinity Junior Football Club** was held in the **Church Hall** on Wednesday, February 11, 70.

The feature of the meeting was the large gathering of past and prospective players.

The following office-bearers were elected:
President, Mr. E. J. Withington, Vicar.
Senior Vice-President, Mr. F. Gerring.

Altona Life Saving Club

The monthly executive meeting was held in the clubrooms on Tuesday, March 3, Mr. R. Edwards presiding.

PICNIC

It was decided to hold the annual Club Picnic at **Hanging Rock** on Sunday, April 5. The original choice of **Bream-lea** was found to be impracticable for several reasons, but mainly because of the distance from the picnic area to the beach and also that the few senior members attending the picnic would be on patrol duty all day, looking after the juniors in the surf.

CHAMPIONSHIPS

The date of the club swim-wade championships was verified at Tuesday's meeting — Sunday, March 15, commencing at 2 p.m. with the **March Past**.

There will be a working bee commencing at 10 a.m. to clean up the section of beach to be used.

Members are requested to turn up in force with barrows, rakes and forks. The more members that turn up the quicker the job will be.

Vice-Presidents, Mr. T. Nelson, Mr. J. Lomas and Mr. E. Hudson.

Treasurer and Secretary, Mr. W. O'Dwyer.

General Committee, Mr. F. Gerring, Mr. E. Hudson, Mr. B. Thomson and Mr. W. O'Dwyer.

Under 15 Acting Coach, Mr. W. O'Dwyer.

Under 12 Coach, Mr. E. Hudson.

Team Managers for both teams to be appointed. As last year **Holy Trinity** will be fielding teams in both division of the **Churches Colts Football League**.

Training for both teams will commence on Thursday, March 19, at the **Strand Reserve**, commencing at 4.45 p.m.

All intending players will be made most welcome and boys in the **Newport** area are particularly invited to train with the club.

done. Tea and biscuits will be served after the championships by the **Ladies Auxiliary**.

COACHING

The club coach commented on the low standard of diving of most members at swimming training at the **City Baths**, also the many faults in swimming techniques.

This points to more training and coaching being necessary, but the time and expense of travelling to the **City** or **Richmond Baths** more often would be too much and is out of the question.

An all the year round pool in the western suburbs, preferably **Altona**, is the answer. This was proposed over 10 years ago but no concrete progress has yet been made.

PATROLS MAINTAINED

The Patrol Supervisor reported that patrols had been maintained on all specified occasions but several members detailed for patrols had not attended. Fortunately, a few regulars had been willing to stand in.

NO FIRST AID CASES

The First Aid Officer reported that there were no cases to be treated last Sunday although there was quite a good crowd on the beach.

M.S.B.A. DELEGATE

Melbourne and **Suburban Beaches Association** delegate reported a good attendance at last month's meeting.

South Melbourne had had its sound system stolen, but **Edward J.S.C.** had kindly loaned one until **South** could get a replacement.

Result of the **M.S.B.A. Carnival** in February was: 1st, **South Melbourne** 110 points; 2nd, **Williamstown** 106; 3rd, **Sandridge** 55. **Altona** did not compete as there were insufficient members to make up a team.

R.L.S.S. CHAMPIONSHIPS

The **Royal Life Saving Society's Victoria Branch** Championships were held at

SEAGULLS LOSE OUTRIGHT AFTER ALTONA FIRST XI GO DOWN FIGHTING IN SEMI-FINAL

After its outstanding effort on Saturday in gaining a first innings lead, Town collapsed dramatically on the Monday of the Labour Day week-end to lose outright to Preston.

At the time of writing no clear pattern as to the positions of the final four could be established.

The four points secured by Town has ensured them of a finals place for the first time since the 1965-66 season.

Williamstown will meet Sunshine in the semi-final which is to be played at the Williamstown Oval next Saturday and Sunday.

Winning the toss Town's captain, Robin Dyson, sent the opposition in and in the space of 68 minutes Preston lost 8 for 29.

Preston were eventually dismissed for 50 in 102 minutes, their innings being propped up by a 21 runs ninth wicket stand. Ray Salter, 6-32, and Keith Miller, 4-17, were the wreckers.

Town's innings commenced badly when it lost its first three wickets for 4. However, Barry McConnell, 25 not out, and Don McKenzie, 24, in a fine stand of 49 enabled Town to lead and then declare with a three run margin in its favor.

Preston again collapsed and at stumps on Saturday were 5-70.

On the Monday it took just another 50 minutes for Town to clean up the remaining bats at an additional cost of 20 runs.

Ray Salter, 4-27, Keith Miller, 3-24, and Tom Seal 3-9, were responsible for a fine effort and through their success an outright win looked an almost certainty.

The golden prize of top place was denied to Town

when an abject failure by its own bats, in which Town collapsed for 64, enabled Preston to emerge victorious by 23 runs.

Compensating for this loss was the personal success of Tommy Seal and Barry McConnell. Tommy, has now captured 52 wickets for the season whilst Barry is the first batsman to pass 400 for this season.

Ray Salter put up an outstanding feat in capturing 10 for 59 for the match. Keith Miller celebrated his first by capturing 7 for 41 for the game and tried hard to win the match for Town with a gallant 22 not out in Town's second innings.

WILLIAMSTOWN THIRD XI

Williamstown defeated Caulfield on the first innings last week-end allowing them to make the final four.

The Thirds will play Port Melbourne in the semi-final next Saturday.

Williamstown, 1st Innings, 9-130 (Brian Park 45, Frank Bowyer 36).

Caulfield, 1st Innings, 9-126 (N. Snow 3-52, P. McGregor 0-10, J. Harrison 3-35, R. Duro 3-16).

Altona after trailing by 44 runs on the first innings fought back well on the second day of the semi-final but were eventually defeated by Brunswick United by 4 wickets.

Brunswick United won the toss last Saturday, after a 40 minute delay due to bad conditions, and asked Altona to bat on a rain-affected wicket.

It was obvious that runs would be hard to come by as the United bowlers took full advantage of the wicket. Brian Garde was first to go. When playing forward he was caught close in on the leg side.

John Cooney joined Ray Duckett and began to consolidate until Cooney got one kept low and trapped him in front. Jack Deller joined Duckett with the score at 2 for 15. However, the bowling was well on top and with the score at 18 the batsmen played out 10 consecutive maidens during which time Duckett was caught and Altona were defending grimly.

The situation worsened when, with the score at 21, Deller was caught, only to be followed the very next ball by Alec Merrill who had been promoted in the order with orders to attack the bowling.

Tony Paone followed one run later and with the score at 6 for 22 it was obvious that somebody had to attack at all costs. Ken Duff, Bob Dare and Jim Page all attempted to bat the bowling and fielding of Brunswick United was too good and Altona was dismissed for the miserable total of 51.

Bob Dare and Terry Gray

opened the bowling for Altona and Dare was successful in obtaining wickets in his second and third overs to have United 2 for 13.

The next batsmen, Corby and Lane, showed the right approach to the game and with good shots quickly added 28 runs before Corby was stumped by Cooney from Jim Page's first ball.

The next partnership assured Brunswick United of a lead on the first innings and at this stage Bob Dare was re-introduced into the attack.

This time bowling spinners. The move proved to be most successful as Dare worried all of the batsmen and from 4 for 61 United lost seven wickets to be all out for 95. Dare finished with 7 wickets and John Cooney obtained 3 stumpings and a catch.

With 15 minutes to bat Altona were desperate to keep all wickets intact. Unfortunately, from the fifth ball of the innings Garde played forward and was once again caught close in.

Play resumed on the second day under much better conditions and with Ray Duckett in good form a strong fight-back by Altona was envisaged. Duckett and Cooney settled in and were scoring freely until Duckett tried to loft a ball over mid-on and was out caught for a well-made 20.

Altona's trump card in Jim Page joined John Cooney

and after settling down played one magnificent pull shot for 4 only to be caught very next ball. This caused considerable concern to Altona supporters as 3 wickets were down and the deficit not yet made up.

The situation was gradually retrieved, however, by Jack Deller and Cooney, this pair adding 37 runs before Deller was caught, only to be followed shortly after by Cooney who had batted doggedly for 30.

Ken Duff began to hit out and with support coming from Paone and Merrill the score was advanced to 123 before Duff was lbw for a splendid 13. Merrill took control of the strike following the loss of Dare with a bad run out and with good strokes was able to take the score to 145 at stumps, before the innings closed.

With 2 1/2 hours play remaining Dare opened the attack for Altona and with his sixth ball got side off to a good start by bowling opener Pratt with the score at 2.

The pressure was really applied by Altona and with the score 19 Terry Gray took a good catch to dismiss the other opener. These two wickets gave Altona a good chance to snatch victory. However, they could not penetrate for another quick wicket.

Good batting saw United add 20 runs before Page with his third ball bowled Lane and then repeated the performance 4 runs later to bowl Corby and United were in trouble at 4 for 23.

Grimshaw and Beddome had different ideas, however, and with good batting, particularly from Grimshaw, they were able to steer their team through a difficult period before Beddome was bowled by a prodigious Dare bowled by United 26 runs short of victory.

Grimshaw continued to bat well and was only 1 run short of his half-century when bowled by Naughton. At this stage Altona required 4 wickets for 14 runs to win, but unfortunately were unable to claim another wicket before the necessary runs were scored.

This was a good fight-back by Altona, who from the time the coin was tossed last Saturday had to battle for runs, the lack of which eventually told.

Players and supporters are reminded that a barbeque conducted by the Ladies Committee will be held in the clubrooms next Saturday evening, March 14, at 6.30 p.m.

CHURCH CRICKET

The holiday weekend saw the Semi-finals completed in Senior Grades of Western Suburbs Protestant Churches Cricket Association, and the commencement of the Finals in the Junior Under 16 Grades and the Under 12 Grade.

Each match in Open Age was played to interesting finish and great cricket was seen in all matches.

With the results gained last Monday, the finals will now commence on Saturday, to be played over three Saturdays — March 14, 21 and 28, from 12.45 p.m. to 6 p.m. on each day.

A Grade will be fought between Kingsville Baptists and Barkly St. Methodists. B Grade will be between St. Stephen's and Williamstown Methodists, and C Grade between St. Andrew's, Footscray, and Tottenham Baptists.

In Junior North Section the final between Yarrville Baptists and All Saints look like going Yarrville Baptist's way, and in Junior South Section, Altona Presbyterians are strongly placed for a win over St. Andrew's.

The finish of the Under 12 between Kingsville Baptists and Electra St. Methodists could be very interesting.

Stars of the Open Age semi-finals included Neil Austin of Paisley St. Baptists with a great 100. In this was not sufficient to enable his team to win. Robert Anderson of the same side also made a good 56. For Kingsville Baptists John Anderson with 87 and Daryl Peace, 51, were best.

Tottenham Baptist "A" had Dick Ross in form with 5-39 and Barkly St. Methodists' Leon Bates got 80.

B Grade stars included Stephenson with 5-34 for St. Eanswythe's, Roy Evans, 56, for Williamstown Methodists, Parker 6-27 for St. Andrew's, while in C Grade St. Andrew's, Footscray's, Whitby took 5-34 and Bunce 5-25.

Collett took 5-25 for Barkly St. Methodists and Tottenham Baptists' Doran had wonderful match with 8-38 and 5-32, supported by White with 5-15.

Scores of the semi-final matches are as follows:

A GRADE

Barkly St. Methodists, 211 (Bates 60, Walker 44, Bohmer 24, Kennedy 20, Hollings 15, Ross 5-39, McInnes 3-28) and 134 (Horsley 51, Kennedy 48, Brown 21, Walker 18 n.o., Ross 4-12) defeated Tottenham Baptists, 168 (A. Murray 19, Gook 41, P. Murray 15, McInnes 48, Quinn 3-38, Molison 3-38).

Newport Cricket Club

SECOND XI

Newport skipper A. Round

sent Hampton in on a rain-affected wicket in the semi-final at Newport.

Newport's openers, G. Clark, 1 for 27, and K. Parker, 1 for 25, had difficulty in maintaining length and direction as the hard hitting opposition batsmen piled on some quick runs.

Then the ball was tossed to Drick Roberts, 3 for 30, and Laurie Swanson, 5 for 44, and although their bowling was occasionally punished they turned in fine performances to have Hampton all out for 128 — a good score under the conditions.

Newport's batsmen were unable to cope with some hostile deliveries pounded down by the tall Hampton pacemen and found runs extremely hard to get. Only L. Swanson, 19, and Bob Colvin, 15, reached double figures in a most disappointing total of 76.

Hampton, none for four overnight resumed on a perfect track on Monday and were in real strife as they slumped to 7 for 77, but a hard-hitting, if fancy, partnership of 58 saw the game swing away from the loss as catches were grassed and numerous skied shots fell safe.

Hampton were all out for 153 at 3.30 p.m. with the successful bowlers being D. Roberts, 2 for 31, L. Swanson, 3 for 39, G. Clarke, 2 for 34, W. Stevenson, 1 for 18, and P. Humphries, 1 for 2.

The bowlers got great support from Rob Colvin who gave a brilliant display of keeping behind the stumps.

Needing 206 runs in 150 minutes the Newport batsmen were in a bit of a fix as a nasty centre wicket collision which sent both W. Stevenson and L. Swanson to hospital.

Runs flowed from the bats of K. Parker 14, P. Humphries 30, G. Clarke 28, G. Colvin 20, as they swung their blades merrily, but the innings folded for 120 in the last over of the day.

Newport did not make the grand final but are to be congratulated on a good season.

CLUB XI

The Spotswood Imps batsmen ran into a real snag on Saturday in the person of Archie Lloyd as he used a strong cross breeze intelligently to capture 5 for 19 in a brilliant exhibition of swing bowling.

At one stage the Spotty Imps innings was tottering at 8 for 37, but a handy partnership of 41 took the score to 78 when Ricky Carrington wrapped up the innings with 2 for 5.

Neil Donlan bowled quite well to capture 3 for 18, and the bowlers were well backed-up by excellent fielding

with difficult catches made to look easy snapped up by W. Humphries, K. English and two "rippers" by Alan Mouser.

Newport's innings commenced at 2.30 under perfect batting conditions and openers W. Humphries, 16, and Warren Diamond, 5, were just settling in after some anxious moments against tight bowling when "Wozza" was thrown out. Then came three hours of the dreariest batting seen this season as the batsmen became mesmerised by the ball. At last the scores were levelled and Alan Mouser showed his mates what a piece of willow was made for as he blazed a merry 12 runs.

Newport struggled to 8 for 93 at stumps and resumed with strong support from W. Diamond 15, A. Mouser 15 and an attacking 21 from Archie Lloyd who fittingly hit the winning runs and put Newport into the grand final against Williamstown Baseballers next Saturday.

Alan Redshaw again batted very well for his 32 with strong support from W. Diamond 15, A. Mouser 15 and an attacking 21 from Archie Lloyd who fittingly hit the winning runs and put Newport into the grand final against Williamstown Baseballers next Saturday.

Spotty Imps then set about the task of rattling up some quick runs but were frustrated by some good bowling by Neil Donlan, 4 for 24, A. Redshaw, 1 for 14, R. Carrington, 2 for 30, and the star of the match Archie Lloyd, 3 for 23. Spotty Imps made 113 leaving Newport 38 to win outright which they achieved for the loss of 6 wickets.

Alan Redshaw again batted very well for his 32 with strong support from W. Diamond 15, A. Mouser 15 and an attacking 21 from Archie Lloyd who fittingly hit the winning runs and put Newport into the grand final against Williamstown Baseballers next Saturday.

School Raffles O.K. If Approved

New regulations give school committees and councils permission to hold raffles in aid of school funds, providing they receive approval from the Attorney General.

However, games of chance, and other forms of gambling are still prohibited. In addition, no competitions of a personal nature, such as baby shows or queen carnivals may be held for school purposes.

Another regulation provides that with a majority of two-thirds of the membership, a school committee may make a donation of funds to another school.

Head teachers have been attending meetings of school committees, theoretically on the basis that they have been invited. Now they can, if they will, attend without invitation.
